## **V o L u N t E e R !**

None of these great events would be possible without our dedicated volunteers! The Trust is always in need of help and even if you are not a history buff or interested in historic preservation, we've still got a job for you! We can use help with outdoor clean-up, ticket sales & parking for events, as well as historic demonstrators & tour guides. We can even use help cleaning the buildings and setting up for events. We will especially need volunteers for our summer and fall events –the Keim Open House, the Keim Music Fest, & Mayhem at Morlatton.

Or, are you, or do you know a Boy Scout or Girl Scout who is looking for community service hours or to do an Eagle Scout project? You can help preserve the local history while earning hours, a badge, or even your Eagle Scout award. This also applies to civil service groups and students who need service hours. Why not learn and help preserve history while having fun?

If you or someone you know is interested in volunteering or if they are interested in working on projects at one of our historic buildings please contact us at (610) 385-4762 or [info@historicpreservationtrust.org](mailto:info@historicpreservationtrust.org).

## *A Short Note from the Administrator*

The Trust has been keeping busy this spring. The start of the season saw the Trust's first events of the year – the 3<sup>rd</sup> Saturday Programs at Morlatton Village. On April 15, about 20 visitors joined volunteer Barrie Miller to hear all about gun building in the eighteenth century. Just a couple of weeks ago, visitors learned all about the exciting archaeological discoveries being made at the Mouns Jones House. Unfortunately the Trust's big spring event at Morlatton Village was cancelled due to weather. Scheduled for the Saturday before Mother's Day, this event was to include a variety of living history demonstrations and activities. We are planning to offer as many of these demonstrations and activities as possible during the Keim Homestead Open House on July 15.

On May 20, the Trust hosted the Schuylkill Greenway's Pedal and Paddle in conjunction with our 3<sup>rd</sup> Saturday Program. About 15 cyclists enjoyed tours of Morlatton Village, as well as the archaeological presentation. The Trust also appeared on Berks County Television's show, Sites and Sounds of Historic Berks County, in April and May to promote our upcoming events and the Keim Homestead. The Trust will likely be making another appearance sometime this year, so make sure to check out future shows – the fourth Monday of the month at 7:30pm!

The Trust is very excited about our upcoming Keim Homestead Open House this summer! We are looking forward to celebrating this momentous occasion with the community and our supporters. Make plans to join us on July 15 and let's hope for good weather!

### **Matching Grant Opportunity!**

The stonework now underway on the Mouns Jones House is fully funded. However, completion of the restoration campaign depends on obtaining funds for replacement of the door and windows in the riverside wall, and second floor joists with old white-oak timbers, which are rare and expensive. A local donor has pledged to match **100% of every dollar** donated toward these components, which will cost more than \$5,000. Fortunately, old floor boards had been donated by Donald and Esther Shelley, saving the Trust a considerable amount. Your support for this work would be greatly appreciated, and your dedicated donation will be **DOUBLED BY THE MATCHING GRANT.**
